

COVID-19 WAIVER AND QUESTIONNAIRE

With ongoing COVID concerns in Saskatchewan, Serious Academy of Hockey and Rod Hamm Arena are taking extra precautions based on recommendations from the Government of SK and SK Health to ensure public safety of our athletes and families.

Our Precautions

We have extra staff doing disinfecting around the gym, particularly high touch areas such as doors, washrooms and equipment.

The rink staff has clearly outlined and marked entrance and exit from the rink to restrict traffic flow to one way.

Social distancing will be in place whenever possible on and off the ice.

Our staff will regularly remind players to wash their hands and/or use hand sanitizer.

Our policy for COVID-19

If you or your family members have traveled outside of Canada in the past 14 days or have been in close contact of a confirmed or probable Covid-19 case and are now experiencing symptoms we ask that you refrain from entering the SAH Performance Centre and Rod Hamm Arena at this time.

In the event of any symptoms that arise during your athletes training time please alert us immediately so that we can contact SK Health and follow their guidance.

If any athlete is showing signs of illness they will be sent home immediately.
